About Galgotias University

Galgotias University, located in Uttar Pradesh is one of India's leading private universities, holding an NAAC A+ accreditation with an impressive score of 3.37 out of 4. Established in 2011, it has grown rapidly, now hosting over 30,000 students across 20 schools and 200+ programs, from Diploma to PhD levels.

Known for excellence in teaching, research, and employability, Galgotias boasts accolades such as QS 5-star ratings in key academic areas and high NIRF rankings, including Pharmacy (52), Management (91), and Engineering (top 101-150 band). With a mission to create globally competitive graduates who excel in knowledge, problem-solving, and social responsibility, Galgotias University combines state-of-the-art facilities, innovative curriculum, and a low student-to-faculty ratio, ensuring individual attention and mentoring. Our values of innovation, excellence, leadership, and transparency guide our vision of being a **globally recognized institution dedicated to lifelong learning and societal impact.**

Event Overview

Welcome to the Galgotias University Tech Fest. A three-day celebration of technology, innovation, and collaboration. Bringing together industry leaders, students, tech enthusiasts, and visionaries, this festival showcases the latest in emerging tech, fosters networking, and inspires the next generation of changemakers.

Global Tech Exhibition

Featuring cutting-edge robotics, drones, machine learning, and deep tech projects

International Keynote Speakers

Including Sam Altman, Anupam Mittal, and Narayan Murthy

Workshops & Skill-Building

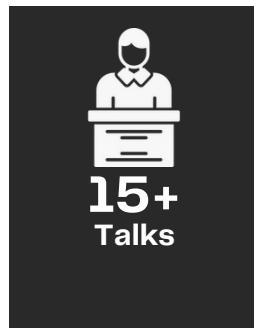

Covering fields like Quantum Computing, AI, Ethical Hacking, and more

Networking Opportunities

Meet like-minded peers, industry leaders, and potential mentors

Interactive Competitions

Including Robotic Wars, Hackathons, and Esports gaming tournaments

01

TECH EXHIBITION

Discover cutting-edge innovations in robotics, AI, drones, and deep tech at our Tech Exhibition, where the future of technology comes to life.

04

WORKSHOPS & MASTERCLASSES

Deep-dive into the future of tech with hands-on workshops on cutting-edge topics like AI, Cybersecurity, Quantum Computing, Blockchain, and more. Elevate your skills with expert-led sessions designed for innovation and mastery in today's most in-demand fields!

02

HACKATHON & COMPETITIONS

Unleash your skills and compete in thrilling challenges, from Esports and Robowars to Hackathons and Tech Olympiads. Show your expertise in Robotics, Blockchain, AI solutions, and more to solve real-world problems and claim victory!

05

EDM NIGHT

End the event on a high note with an electrifying EDM night—celebrate, unwind, and dance under the stars with beats that light up the night!

03

KEYNOTE SPEECHES

Hear visionary insights from renowned leaders like Anupam Mittal, Narayan Murthy, and Sam Altman, inspiring the next wave of innovation and impact.

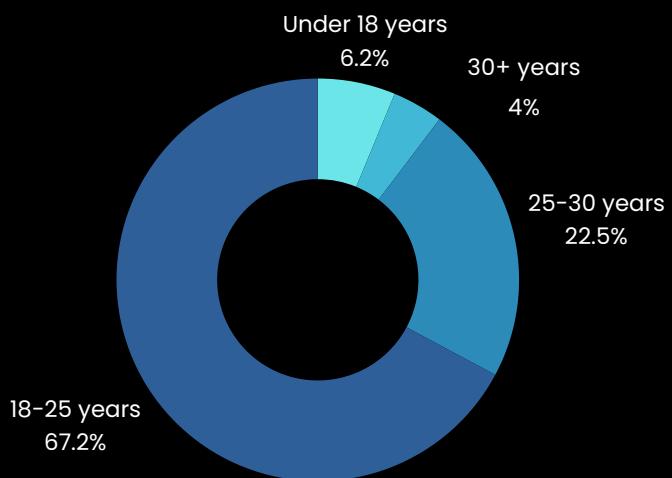

06

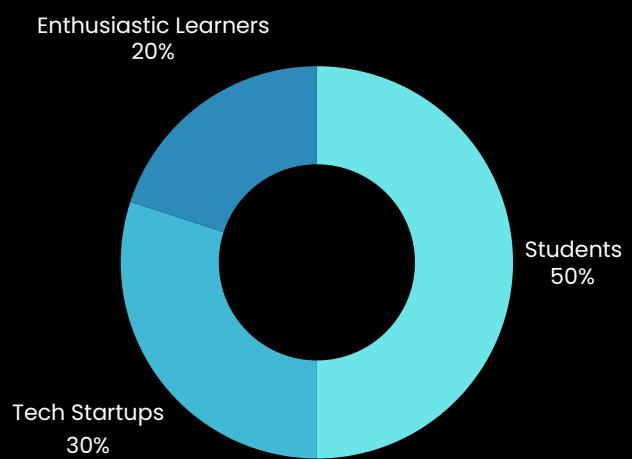

AND MANY MORE

And that's not all—enjoy countless surprises, interactive activities, and unique experiences throughout the event. Join us for unforgettable moments that go beyond the schedule!

Audience Overview

Age Wise Distribution

Participants Distribution

The Galgotias Tech & Innovation Summit 2024 is set to attract 50,000+ attendees, powered by 500+ ambassadors. With 40+ competitions and 35+ exhibitors, the summit offers countless opportunities to explore, compete, and connect with industry experts.

Featuring 15+ engaging talks by prominent leaders and 15+ workshops for hands-on learning, the summit provides a platform for both professional growth and skill-building. Attendees can look forward to a mix of insights and practical experiences across tech fields.

The audience distribution includes 50% students eager to learn, 30% from tech startups looking to network and grow, and 20% tech enthusiasts seeking knowledge and inspiration.

In all, the Galgotias Tech & Innovation Summit promises a unique blend of innovation, competition, and learning. It's the ideal platform for students, startups, and tech enthusiasts alike to dive into the future of technology.

Day 1 Timeline

DAY 1: Opening and Exploration

Morning

Opening Ceremony: Welcome Address by University Leaders and Event Partners
Keynote Speaker: Address by a Spiritual Leader and Peace Advocate (e.g., representative similar to Dalai Lama)

Afternoon

Tech Exhibition: Launch of the exhibition showcasing Robotics, Drones, ML, and Deep Tech projects

Workshops: Hands-on sessions in Cloud Computing, Python Programming, and AI

Evening

Guest Lectures: Insights from Anupam Mittal (Entrepreneurship) and Dr. Subramaniam Swamy (Public Policy)
ESports Gaming Event Kickoff: Start of ESports tournament preliminaries

Closing

Networking Session: Meet-and-greet with industry leaders, professors, and participants

DAY 1

Opening Ceremony

Tech Exhibition

Workshop

Guest Lectures

Networking Session

Day 2 Timeline

DAY 2 : Innovation and Competition

Morning

Workshops : Sessions on Ethical Hacking, Blockchain, and Cybersecurity
Competitions: Hackathon and Robotics Building Competition

Afternoon

Guest Lecture Series: Talks by Narayan Murthy (Technology Leadership) and a UNESCO representative (Sustainability)
International Summit: Discussion with international tech leaders, featuring Sam Altman (OpenAI, ChatGPT)

Evening

Robotic Wars : A high-energy robotics competition featuring combat-style robot challenges

Workshop Session on Quantum Computing and Game Development

Closing

ESports Finals : High-stakes gaming competitions

DAY 2

Workshops

Guest Lecture Series

Robotic Wars

ESports Finals

Day 3 Timeline

Day 3: Creativity, Closing, and Celebration

Morning

Workshops: Interactive workshops in Machine Learning, Android & iOS Development, and Quadcoping

Competitions: Tech Olympiad, Virtual Trading, and Ideates (AI for Sustainability) Finals

Afternoon

Special Panels: Conversations on Sustainable Solutions and Future Technology Trends

Guest Lecture: Industry Talk by a Peace and Sustainability Worker

Award Ceremony: Recognition of top participants in Competitions, Hackathon, and Workshops

Evening

EDM Night: Festive closing with live EDM music, entertainment, and celebrations for all participants and attendees

Closing Remarks: Thanks and Farewell by University Leaders

DAY 3

Workshops

Competitions

Special Panels

Guest Lecture

Award Ceremony

EDM Night

Closing Remarks
